Metro & Access on Saturday schedule for July 4

Metro to resume full service June 28

Metro will resume full service effective Sunday, June 28 to better meet customers travel needs as the city begins to reopen.

Metro moved to a modified Saturday schedule on March 29 following the State issued "stay-at-home" order and subsequent ridership decline.

Customers may view schedules and plan their trips [here](#). Use [Transit app](#) with EZFARE to plan, pay and track your bus in real-time on your smartphone.

Keeping customers and employees safe during COVID-19

Metro is committed to ensuring the safety of customers and employees during the coronavirus epidemic and have implemented a number of measures including:

- Conducting rigorous daily cleaning of all buses.
- Applying a chlorinated, sanitizing disinfectant that kills the coronavirus to all buses and surfaces inside buses and facilities, including poles, stanchions and seats and facilities, including Government Square.
- Using an electrostatic sprayer which promotes surface adhesion of the disinfectant.
- Installed plexi-glass barriers on-board all buses as an added layer of protection between customers and operators at the farebox.

For the health and safety of all, we ask riders to observe the following:

- Pay fare using Transit App with EZFare for contactless payment.
- Wear a mask, scarf or other facial covering if possible while riding.
- Stand behind the plexiglass barrier at the farebox.
- Spread out as much as possible onboard.
- Observe CDC safety guidelines including using hand sanitizer, washing hands regularly, and covering coughs and sneezes with a tissue.

Metro and Access para-transit service will operator on a Saturday schedule this year on Independence Day, Saturday, July 4.

Metro's Sales Office, administrative offices, and Customer Care Center will all be closed in observance of the holiday. Visit go-metro.com for scheduling information.

Have a mask on us (and wear it on the bus!)

Metro is encouraging customers to wear masks while riding as a preventable measure to protect themselves and others from COVID-19.

To help with this effort, Metro will be distributing masks free to any customer who needs one on Government Square on the following dates and times:

- Wednesday, June 24, 1-3 p.m.
- Friday, June 26, 2-4 p.m.
- Monday, June 29, 7-9 a.m.

There will be a two masks per person limit.
