## July 2021

*The latest news for Metro riders*

### New! Use Cash to Purchase Mobile Tickets

No credit card? No problem. You can now use cash to purchase mobile tickets for trips on Metro and TANK!

With the [launch of EZfare's stored value feature](#), you can add funds to your EZfare mobile ticketing account, which can then be used to buy mobile tickets when needed.

Add funds via credit card in the [Transit app](#), or with cash at the Metro/TANK Sales Office (120 East 4th St., Mercantile Center Arcade, Cincinnati).

The new stored value feature enables more riders, including those without banking relationships, to take advantage of the app's convenient and contactless fare payment option—along with **free transfers** that come with each mobile ticket.

This is just one more benefit of using the Transit app with EZfare, which offers trip planning and real-time tracking to make riding easy.
