- Use Google Transit trip planner for detailed trip information from your doorstep to your destination!

2. Pay

- Head to your nearest bus stop or one of Metro's 21 Park and ride locations to start your trip.
- As the bus approaches, signal to the operator that you want to ride by waving your hand.
- As your bus pulls up to the stop, stay a safe distance from the curb and make sure you have your fare in hand.
- As you board the bus, show your in-app fare payment to the driver, swipe or drop your fare in the farebox, or swipe your pass.
- Find a seat and enjoy your ride!

3. Ride

- Track your bus in real time using the Transit App.
- As your bus nears your stop, firmly pull the cord located above you along the sides of the bus to indicate to the operator that you wish to depart.
